A DECADE OF IMPACT - A NEW ERA OF PROCUREMENT LEADERSHIP

The **Women in Procurement Leadership Summit 2026** returns to celebrate the women leading procurement's transformation and to explore how today's leaders are building influence, bridging risk, leading value and opening the way for those who follow.

As organisations place greater emphasis on resilience, risk management and long-term value creation, procurement leaders have an unprecedented opportunity to influence decisions before they are made, build stronger supplier partnerships and create meaningful commercial impact.

Building on more than a decade of bringing the procurement community together, the **Women in Procurement Leadership Summit** brings together the leaders shaping the future of the profession while helping the next generation build the confidence, capability and connections to follow.

A truly wonderful opportunity to hear and participate in insightful and pertinent discussions with a wide variety of highly talented and accomplished procurement professionals.

(AUNZ Leader - Packaging & Raw Materials, General Mills, Past Attendee)

WHY LEADERS AND DECISION MAKERS WILL BE AT WOMEN IN PROCUREMENT LEADERSHIP SUMMIT 2026

Procurement leadership is evolving. Today's most successful leaders move beyond transactional purchasing to influence strategic decisions, manage risk, drive innovation, and deliver value beyond cost savings.

The **Women in Procurement Leadership Summit** brings together Australia's leading procurement and business executives to share practical insights, real-world experiences, and lessons learned through buyer-led case studies and candid discussions.

Designed to support both personal and professional growth, the program equips delegates with actionable strategies, fresh perspectives, and the confidence to lead high-performing procurement functions.

Beyond the conference sessions, attendees will expand their professional networks by connecting with peers and senior leaders who are shaping the future of procurement.

WHO SHOULD PARTNER?

If procurement and supply chain professionals play an important role in your sales process, or you have solutions for them, then the **Women in Procurement Leadership Summit** provides you with an opportunity to engage a targeted, influential and inquisitive audience.

A vast range of different businesses would benefit from partnering with **Women in Procurement Leadership Summit 2026**, including but not limited to:

- Consultants
- Indirect procurement suppliers - office supplies, furniture, tech, facilities
- Software and technology providers
- Outsourced procurement operations
- Recruitment
- Management and leadership training

An engaged group of procurement professionals keen to listen and learn from each other.”

(Senior Manager - Social Procurement & Workforce Development, Transport NSW, Past Attendee)

WHY PARTNER?

The **Women in Procurement Leadership Summit** is firmly established as the annual meeting place for procurement and supply chain professionals to be at the forefront of procurement evolution.

Now in its 11th year, the event continues to attract a loyal and growing audience of senior and emerging procurement and supply chain professionals as well as high profile thought leaders.

Delegates attend each year to benchmark their organisation's progress on embracing diversity and advancing careers whilst overcoming procurement challenges and applying technology efficiencies into their business practice.

The event attracts a senior audience of forward-thinking female and male leaders from procurement and supply chain stakeholders across Australia and NZ.

Women in Procurement Leadership Summit offers a platform to interact, build relationships and position your organisation as a solution provider of choice.

GovProcure 2027

16-18 March 2027 | Sydney

DRIVING PUBLIC VALUE THROUGH INNOVATIVE & OPTIMISED PROCUREMENT

GovProcure 2027 is the meeting place for procurement leaders from all levels of government across Australia, bringing together senior decision-makers seeking innovative solutions to improve procurement processes, and deliver better outcomes for their organisations.

www.govprocuresummit.com.au

Together, these events bring together over 500 procurement, supply chain, and sustainability leaders annually, offering partners unparalleled access to a highly engaged audience representing government, enterprise, and purpose-driven procurement across Australia.

This connected portfolio creates the opportunity to move beyond a single event engagement and develop a tailored, multi-event partnership strategy that maximises brand visibility, lead generation, and thought leadership across the full procurement ecosystem.
